**Egghead Productions – Rocklin Business Journal Names Egghead Productions Largest Video Production Company**

**Rocklin, CA (4/12/2007)** – Egghead Productions in Rocklin, CA was named by the Sacramento Business Journal as the largest private video production company in Sacramento. Second only to nonprofit giant KVIE, ATV continues to get recognition for its growth in its video production capabilities. Earlier this month, ATV announced completion of its second video production studio capable of handling virtual any video project from corporate video to TV productions.

Bill Murphy, President of Egghead says “Our goal at Egghead is to create powerful connections with our customers, and we carry that philosophy into everything we do. Since we acquired Egghead last year, we have continued to make strategic investment in a number of areas. I’m thrilled to see that Egghead is beginning to get the recognition it deserves

ABOUT Egghead – Egghead, headquartered in Rocklin, Calif., is a premiere video and event production company helping clients nationwide create powerful connections with their customer and audiences.
